4th December 1954]

THE HON. SRI C. SUBRAMANIAM :—" My own view is that, as far as possible, we should encourage education in the other technical (professional) colleges. That is why I am giving only a limited amount as far as law education is concerned."

SRI K. "

THE HON. SRI C. SUBRAMANIAM :—" Apart from this hardship, I do realise the necessity for a hostel for the students of the Law College. The matter is under the consideration of the Government."
